Financial Records Audit

The Audit Committee appointed by the Council Moderator and approved by the Council have finished the internal audit of the FCC financial records. Doug Hart and Cliff Poet worked Wednesday and Thursday last week reviewing payment and receipt records, evaluating recordkeeping practices, and asking many questions. Marvin Clark was under the weather and unable to join this dynamic duo.

A report of findings will be submitted to the Council for review and will be available in the office for those interested in the committee's findings. It is the goal of the Council, the Audit Committee, and the Financial Assistant to provide accurate, transparent records of the monies received and used by FCC to carry out our service and mission.

Many thanks are extended to the Audit Committee for their hard work and for sharing their expertise. FCC is truly blessed by your commitment and dedication.

Disciple Women Are Back At Work

A group of ladies . . . Disciple Women . . . met to get themselves reorganized after a lengthy COVID induced hiatus. The Koinonia room was filled with much catching up conversation and laughter. As is the custom of this group, prayer blankets were prepared for the families of the Disciples we have lost during the last several months.

All women of the church are Disciple Women. And, if you fit that particular demographic, you are invited to attend the monthly meetings which are scheduled for noon on the first Thursday of the month (April-December). Contact Sandy Pendergraft or the Church Office for more information.

Our Ministries Continue

Friendship Feast continues to serve hot "carry out" meals Monday - Thursday evenings using the south door of Fellowship Hall. The number of meals served averages just under 80 per night. Many cooking groups from FCC, other churches and civic groups have returned to work in the kitchen each month to prepare the meals. We still have four evenings each month that Friendship Feast staff prepares meals. Volunteers are always needed. If you can help, please contact Bob Corbin.

The **Benevolence** program quickly adapted to the realities of COVID by developing a plan to operate entirely using phone calls, texts and emails to identify and help folks that need rent or utility assistance. This year so far we have provided about \$3,800 for 67 requests. We also provide sacks of non-perishable foods to families that need a little extra help.

FCC's financial and building-use support has been critical for these mission programs to function. Thanks to everyone who donates or volunteers to support these programs.
